

NAPKIN SKETCHES

WHAT

Join the Center for Architecture for a night to celebrate the Napkin Sketch. It has long been a tool for architects to convey ideas quickly over the course of a meal (or drinks) and we have solicited the architectural community of Fort Worth to donate their napkin sketches for this exhibit. A reception will be held at the CFA (3425 West 7th Street, Fort Worth, TX 76107) with food and drink provided by Hot Damn, Tamales!

WHEN
