

# 4th Annual A House for... call for entries

**CONCEPT:** A house for...the subject is completely open to your imagination. It might be a drawing of an actual project or it could be purely conceptual. It can be a photograph, a painting, a collage, a relief model, or a rendering. Submitted images will be displayed in a virtual exhibit and online auction with all proceeds benefitting the Center for Architecture.

**FORMAT:** The physical size of the submission is open to each individual but must be framed and provided ready to hang. A simple metal frame is sufficient, although all glass or wood frames are acceptable. Each work should be signed on the front and visible to view, there is no limit to how many submissions an individual can submit. Physical submissions are required to be accompanied by a digital image for display in the online auction as this will primarily be a virtual exhibit.

**ELIGIBILITY:** AIAFW professional, emeritus and associate members are encouraged to participate. Each submission must be an original work.

**DATES:** Submissions are due March 13th at the CFA temporary office, located within VLK along West 7th. Please drop off submissions during business hours.

The Virtual Exhibit and Online Auction will begin March 17th

Exhibit and Online Auction closes at the Homes Tour Wrap Party, April 26th.

**CONTACTS:** For questions regarding the exhibit and format please contact Alesha Niedziela by email at [aiafw@aiafortworth.org](mailto:aiafw@aiafortworth.org)
